TA TRIBE WORKSHOP PROGRAMMES

The Core Concept and Deep Dive workshop programmes are run online and are highly interactive. Discussion is encouraged, and syndicate groups enable smaller group discussion and sharing of learning.

DEEP DIVE PROGRAMME

This workshop programme gives an opportunity to take one or two TA concepts and allow for a 'deep dive'. More workshop time allows for more depth in the subject! As for the Core Concept programme, a workshop paper, activities pack and slides will be provided.

The programme is evolving, more titles will be added to the list and the workshops usually run between October and March.
